

# OUR VISION

Contribute to an effective and sustainable rural and remote health system

## Initiatives

## NSW Rural and Remote Clinical Team Leadership Program

An initiative of the NSW Institute of Rural Clinical Services and Teaching (IRCST)

Applications are now being invited from nine teams consisting of a GP/VMO and a local health service staff member to participate in facilitated leadership development.

### We are looking for those who want to

- Enhance team leadership, communication, critical thinking and self evaluation skills
- Increase their ability to work more effectively with clinical information and resources
- Refine their culture of patient centred care
- 

### The Program

18 participants in teams of two will be supported in leadership development by a Program Facilitator to complete action learning sets, personal development plans informed by 360-degree performance profiles and to undertake a work-based clinical practice improvement initiative in your health service.

'Program pairs' will be supported to attend six workshop days in Sydney. Workshop dates are 13/14 July, 10/11 Aug, 31 Aug/1 September.

### Applications close 5<sup>TH</sup> June 2009

Read the attached information, find a partner and complete the application form. Please contact us for further information.
